#### What is an "incentive level"?

When you first enroll in the plan – your "incentive level" (or payment level) will be 100%. Each calendar year that you use your dental benefits – your "incentive level" maintains the 100% incentive/payment level. If you do not use your dental plan for a year, your incentive level will *decrease* by 10%, but will not go below 70%.

To receive the highest level of benefits, use Delta Dental in-network dentists. Find Delta Dental contracted dentists at [www.deltadentalwa.com/awc](http://www.deltadentalwa.com/awc). Refer to your dental booklet for limitations and exclusions.
