However, the funds may be transferred to another airport with a qualifying project and the same type of airport. Pangborn Airport does not qualify because it is not a General Aviation airport but the Olympia Airport is. Mr. Schmidt informed the Board the airport would begin utilizing the entitlement funding next year for property acquisition in conjunction with the new Airport Layout Plan.

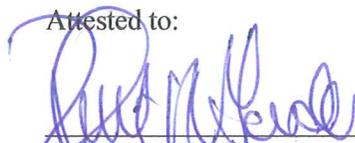

Ms. McCardle moved to authorize the Lake Chelan Airport President to transfer FAA Entitlement Funds for this Federal Fiscal period to Pangborn Airport if it qualifies, and if not then to transfer the same to Olympia Airport. Second by Mr. Steele. Motion passed unanimously.
