

City of Chelan Traffic Revision for E. Johnson Ave. and Sanders St.

The City of Chelan has contracted Specialized Pavement Marking, Inc. to complete a restriping project at the intersections of E. Johnson Ave. and Saunders St. and Sanders St. and E. Woodin Ave.

The primary revision includes revising the left lane of E. Johnson Ave. east bound traffic to include a right turn movement. The image depicts this new movement. The project is planned to be completed the week of May 9th. Please be mindful of these traffic revisions while traveling in the area.
